

**Save the Date!**

**November 1-2, 2016**

Delta Stewardship Council and US Geological Survey present:

# **The Science Enterprise Workshop:**

## **Supporting and Implementing Collaborative Science**

### **ARC Ballroom - Davis, CA**

**Experts from:**

California Bay-Delta  
Great Lakes  
Everglades  
Chesapeake Bay  
Puget Sound  
Coastal Louisiana

**Discuss:**

Regional Comparisons  
Science Strategies  
Governance  
Resource Allocation  
Co-production

*Scientists, science-policy experts,  
and stakeholders gather for a  
two-day workshop to better  
understand how collaborative  
science is being managed,  
funded, and communicated in  
high-profile ecosystems.*
